St. Joseph's College (Autonomous), Devagiri

College Information Chatbot Dataset — Gemini Project

Purpose

This dataset is designed for a college-information chatbot. Each record contains an intent/key, a student-style question, and a factual answer. The chatbot can use these records as a knowledge base or FAQ dataset.

Source and accuracy note

The factual entries were compiled from official St. Joseph's College (Autonomous), Devagiri documents, especially the college prospectus and the 2024 Self Study Report. Some programme lists come from older prospectus material and are therefore marked as historical where appropriate. Admission dates, fees, current courses, staff details and other changing information should be verified from the latest official college information before being presented as current.
